

ALGEBRA 2 ONLINE SOL ASSESSMENT #1

Follow the instructions below. This will be a 40 point Minor Assessment grade due the day of the Post Assessment. If you want to improve your score, you can do another one later to replace this one!

1. Go to cindyedwards.weebly.com and click on Algebra 2 & Trigonometry > Algebra 2 SOL Preparation > Jefferson Lab SOL Practice. Or just go to <http://education.jlab.org/solquiz/index.html>.
2. Check 40 questions and Algebra II in the boxes (ex. below).

Math Tests:

Math 2* Math 3 Math 4 Math 5 Math 6 Math 7 Math 8

Algebra I Algebra II Geometry

Science Tests:

Science 3 Science 5 Science 8 Biology Chemistry Earth Science

Technology Tests:

Technology 5 Technology 8

Number of Questions:

5 10 20 40

Add Your Name:

3. Type in your name and click
4. Carefully complete the 40 question JLAB Quiz. I need to see 40 problems written down and the work shown that you used to derive each answer. If all you do is use the calculator, write down what you typed in the calculator in lieu of work. Put stars on the problems you get wrong so you can get help on them! I would encourage you to write down those problems as well.
5. Submit your results to me at cindy.edwards2@vbschools.com. Your grade will not be calculated until I receive your work in my hand. Your grade will be calculated by the score you receive out of 40. If you do not have any work attached, 8 points (20%) will be deducted from your score.
6. Please do the following for insurance:
 - a. Take a picture of your summary sheet on your phone.
 - b. Write down the **Recovery Code**: _____

ALGEBRA 2 ONLINE SOL ASSESSMENT #2-4

1. Go to cindyedwards.weebly.com and click on Algebra 2 & Trigonometry > Algebra 2 SOL Preparation > Jefferson Lab SOL Practice. Or just go to <http://education.jlab.org/solquiz/index.html>.

2. Check *Algebra II* and *20* in the boxes.

3. Type in your name and click select additional options.

4. CHECK both boxes; and USE REALIGNED STRANDS, then Next Options Screen

Number of Questions:
 5 10 20 40

Add Your Name:

MAKE SURE TO TYPE YOUR NAME HERE!! REPORTS WITH NO NAME WILL NOT BE ACCEPTED!!

Select at least one source from which to draw your questions:

Official VADOE Released Questions
 Simulated Questions developed by the Chesterfield, Colonial Heights, Hanover, and Henrico County School Districts

Questions within an individual subject are categorized into strands. These strands have changed over time. We have done our best to realign older questions with today's standards.

Select 'Use Realigned Strands' if you would like the questions to be categorized according to today's standards. Select 'Use Original Strands' if you would like the questions to be categorized as they were when they were first released.

Use Realigned Strands Use Original Strands

5. Select **YEARS 2008, 2009, 2010, 2011, 2014, and 2015**, then Next Options Screen.

6. SELECT YOUR **STRAND**: You need to do 1 of each before the SOL Test on **Thursday, May 23!**

Algebra II

All Strands

Equations and Inequalities

Expressions and Operations

Functions and Statistics

RC1: Equations and Inequalities Score: _____ OUT OF 20

RC2: Expressions and Operations Score: _____ OUT OF 20

RC3: Functions and Statistics Score: _____ OUT OF 20

7. On the next screen select **"Random Order."**

8. Carefully complete the 20 question JLAB Quiz. Show work for each problem on a piece of loose-leaf paper. If you get a problem wrong, make sure you copy the full problem down so you can get help on it! Also write down the RECOVERY CODE at the top of your paper along with your name and block.

9. When you finish, submit your detailed results page to me as follows:

- a. Best Option: Print out a hard copy stapled to the top of your work.
- b. Next Best Option: Email a copy to me at cindy.edwards_2@vbschools.com.
- c. Take a picture of the whole results page along with the recovery code for security!

10. Your grade each assignment will be the actual score you receive on each JLab out of 20. If you do not have any work, 4 points (20%) will be deducted.
